

RULES

TERMS OF USE

Last updated: October 26, 2026

Welcome to **GOALS**. By creating an account or using the app, you accept these terms. Please read them: they are short and important.

1. The service

GOALS lets you take part in challenges, solo or with others, and post a proof every day (photo or video) visible to the members of the challenge. The service is free. We may change it, add or remove features.

2. Your account

- You must be at least 13 years old (and, in France, have a parent's consent if you are under 15).
- The information you give must be accurate, and your account is personal: you are responsible for what happens on it and for keeping your password secret.
- You can delete your account at any time in the app (Profile > Settings > Delete My Account).

3. Your content

You keep ownership of what you post. To run GOALS, you grant us a free, non-exclusive, worldwide license to host, reproduce and display your content to the relevant people (members of your challenges, visitors of your profile), for as long as needed to provide the service. This license ends when you delete the content or your account.

You confirm that you have the right to post this content, and the consent of the people who appear in it.

4. Community rules — zero tolerance

GOALS accepts **no objectionable content and no abusive behavior**. Any breach may lead to removal of the content and a permanent ban, without notice.

You may not post or do:

- nudity, sexual content or any content showing a minor in an inappropriate way;
- violence, threats, shocking content or content encouraging self-harm;
- harassment, bullying, humiliation or hate speech (origin, religion, gender, orientation, disability...);
- illegal content, spam, scams or unsolicited advertising;
- impersonating someone or sharing other people's personal information;
- posting content you don't have the rights to;
- cheating (fake proofs) or disrupting the service.

5. Report, block, moderate

- You can **report** a proof or a profile and **block** a user at any time, from the **•••** menu. A blocked person no longer sees your profile or your proofs and can no longer interact with you.
- Our team reviews reports **within 24 hours**. If content breaks these rules, it is removed and its author may be suspended or permanently banned.
- A proof reported by several people may be hidden while we review it.

6. Your health

Some challenges involve physical activity or changing habits. Go at your own pace, listen to your body and ask a health professional if in doubt. GOALS does not give medical advice.

7. GOALS' property

The app, its name, logo, design and official challenges belong to GOALS. You may not copy or reuse them without our permission.

8. Liability

GOALS is provided "as is". We do our best for it to work well, but cannot guarantee it will be free of interruptions or errors. Each user is responsible for the content they post. Nothing in these terms limits your statutory consumer rights.

9. Suspension

We may suspend or delete an account that does not respect these terms. You can write to us if you think it is a mistake.

10. App Store

If you downloaded GOALS from the App Store, Apple's standard licensed application end user license agreement (EULA) also applies. Apple is not responsible for the app or its content.

11. Changes and governing law

We may update these terms; if there is an important change, we will let you know in the app. These terms are governed by French law. In case of a dispute, we will first look for an amicable solution with you.

12. Legal notice

- Publisher: Malik Allaoui, independent publisher (France) — contact: support@goals-app.io
